## New School Uniform

**School will provide every  
pupil with a free school tie!**

As part of our continual commitment to providing the best education for your child and the best service to you, we have renewed school's uniform policy. This was done in consultation with all pupils and families who voted at Autumn Term's progress review events. Thank you to all who took part.

Thanks also to Mrs Atkins in the school office for extensively researching a number of uniform providers to ensure you get the best value for money.

This leaflet aims to give you all the information about the new uniform and the new uniform supplier, if you have any further questions please speak to the school office.

Kind regards,

Ms Dowling, Headteacher  
Fiona Whiteway, Chair of Governors

## Highfield School Uniform from September 2016

Together, we aim to achieve a high standard in every aspect of school life and this must be reflected both in the appearance and behaviour of our pupils.

All children are expected to attend school in full school uniform. Parents and carers are asked to co-operate fully by providing the uniform and ensuring children wear it correctly to and from school, and at other times when required. Parents will be expected to return to school to provide correct uniform for any child who attends school without it.

Please ensure that all articles of clothing and other items brought to the school are clearly marked with the child's name.

### **Personal Appearance:**

Shoulder length hair should, for safety and hygiene reasons, be tied back from the face. Hair accessories should be plain in style and colour in keeping with the school uniform.
